A message from Tom Gentile...

In 1993, my partners and I started an educational company called Optionetics and in less than 10 years we became one of the largest financial education companies in the world. In 2009, we sold the company for a sizeable sum, and while many people in my shoes may have sauntered off into a cozy retirement, I just couldn't do it.

Why?

Because I have made a radical change in the way I trade... and I think you deserve to know about it! This involves everything from the way I spot opportunities to the way I put on trades... **IT HAS ALL CHANGED!** I have some incredible stuff coming in the near future, but for now I have written a draft of my latest book titled, "Trade like a 1-percenter™."

It has long been known that the top 1% of all traders make more than 90% of the money traded around the world. Want to learn their SPECIFIC secrets? In my latest book, "Trade like a 1-percenter," you will!

Topics include:

Where you sit on the food chain, and the real goals of the 1-percenters.

Why 1-percenters are "RBT" traders and how you can become one, too.

How 1-percenters use alternative strategies versus the crowd, and how they "checkmate" their trading strategies.

The 1-percenter Mindset, from discipline to focus and much, much more!

Included are some of my favorite high-probability systems and patterns that I currently use in the markets, with incredible accuracy! Consider this your new blueprint for success as you learn to propel yourself past the 99% crowd.

I have written and co-authored more than a dozen books already in print, and this is by far the most refreshing financial guide you will ever read. Get your pre-release copy today, **FREE OF CHARGE!** Here's to you becoming the next 1-percenter!

Think you've got what it takes to start trading like a 1-percenter?
