Blood and Bones Cettina Barbera

The fate of Emily's family is sealed forever when the woman wakes up suddenly and walks out of her the house, driven by a cry spreading through the darkness of the night as a mysterious and ancient nameless being wanders the streets of an anonymous little city, leaving in his wake a trail of blood and bones in order to satisfy his inextinguishable thirst.

Human beings are nothing but pawns trapped in the cobweb of his games, their appearances nothing more than the masks behind which he hides.

A downward spiral of grotesque violence and blood in a gory paranormal black comedy in which evil could wear your face and the point of view from which you observe the unraveling of the story is the scornful, cynical one of the villain.
