As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
