Eros (Olympiana Book 1) Helen Harper

William Shakespeare once wrote that, “Cupid is a knavish lad, thus to make poor females mad.” The trouble is that Cupid himself would probably agree...

As probably the last person in the world who'd appreciate hearts, flowers and romance, Coop is convinced that true love doesn't exist – which is rather unfortunate considering he's also known as Cupid, the God of Love. He'd rather spend his days drinking, womanising and generally having as much fun as he possible can. As far as he's concerned, shooting people with bolts of pure love is a waste of his time...but then his path crosses with that of shy and retiring Skye Sawyer and nothing will ever be quite the same again.

A romance fantasy novel by the author of Blood Destiny, Eros is a seductive re-telling of the classic Greek myth, Cupid and Psyche.
