Grave Phantoms (A Roaring Twenties Novel) Jenn Bennett

From the author of *Grim Shadows* and *Bitter Spirits* comes the new Roaring Twenties novel in the series hailed as “*Boardwalk Empire* meets *Ghost Hunters*, but so much better” (Molly Harper, national bestselling author of the Jane Jameson series).

Feisty flapper Astrid Magnusson is home from college and yearning for the one thing that’s always been off limits: Bo Yeung, her notorious bootlegging brother’s second-in-command. Unfortunately her dream of an easy reunion proves difficult after a violent storm sends a mysterious yacht crashing into the Magnussons’ docks. What’s worse, the boat disappeared a year ago, and the survivors are acting strangely...

Bo has worked with the Magnusson family for years, doing whatever is needed, including keeping his boss’s younger sister out of trouble—and his hands to himself. Of course, that isn’t so easy after Astrid has a haunting vision about the yacht’s disappearance, plunging them into an underground world of old money and dark magic. Danger will drive them closer together, but surviving their own forbidden feelings could be the bigger risk.
