Understanding our true strengths & weaknesses is so important. As Peter Drucker says in "Managing Oneself", "Success in the knowledge economy comes to those who know themselves - their strengths, their values, and how they best perform." In this book we cover the INTJ's strengths, weaknesses, & core personality traits. We help you integrate this knowledge in a practical way. It is important to understand ourselves in relation to others, so we've also included a chapter comparing the INTJ personality type, to the other 15 Myer-Briggs Personality Types. INTJs; being one the rarest personality type; must know themselves to thrive in this world.
