This is the expert no-nonsense test prep you need to begin a career in the criminal justice system. Probation and Parole Officers play a much-needed role in the criminal justice system. But landing one of these rewarding jobs requires a passing score on the qualifying exams. With this thorough and straightforward guide, you will have all the practice material you need to earn great scores. You'll also learn to build test-taking confidence and gain an understanding of modern correctional concepts. There are five parts to this book. Part one covers the major employment sector: federal, state, municipal, and private industry careers. Part two is an overview of the various types of careers available. You will be surprised by the number of different job opportunities there are as well as the varied jobs within an area. Part three details the test-types and requirements. It provides a variety of different types of tests that you will encounter in almost any job you apply for in the civil service. Part four are official sample examinations or others closely patterned to the actual exams, and the correct answers are explained. Part five contains civil service career information resources. Here you will find out how to go about looking for available jobs, as well as important addresses, phone numbers, and websites that will help you pursue your career in civil service.
