Damien, Alpha of the San Antonio pack had thought it was an awesome idea to take his mate, Scott, back to his ex-home pack to catch up with his parents and ex-Alpha. He had assumed that his power as a wolf, and the fact that he was from such a large pack would guarantee both men a good time.

A homophobic Alpha and a disgruntled mother are just two of the problems the men face. In fact if Damien isn't careful his mate might not make it back to Texas alive.
