## Book Description

*Cinderella* meets *Falling Down* in this wickedly funny tale about having it all

Carol can just about keep her nose above water, but her life is sinking fast. Her mum treats her like the family's personal assistant, her sister has just saddled her with impossible wedding planning and her boyfriend is so busy with work that he's got her single-handedly running their relationship. Not that her job is any easier. As the only woman on the bank's trading floor she spends twelve-hour days trying not to get sworn at or felt up.

From the outside everything might look all right but her life is unravelling at the seams. Then, just when she thinks her colleagues can't sink any lower, they break their own record.

What's a nice girl like Carol doing in a life like this? Something's got to give and, for once, it's not going to be Carol...
