Having experienced war and the death of friends and family, both men are ready to face their feelings. As Christmas approaches, they find the miracle of love amidst the chaos of war. CONALL Lieutenant Conall Fletcher of the 93rd Highland Regiment is injured at Balaclava during the Crimean War. On the battlefield after he's shot he shares an intimate moment with Captain Graeme Munro, a moment that both startles and intrigues him. He's been in love with widow Avril Scott for months, but the intensity of Munro's regard and Conall's heated reaction to it change everything. When he returns to the front from the hospital it's up to Conall to make both Avril and Graeme his, and to prove that the passion between the three of them is worth fighting for.
