## **The Nook Book: How to Create and Enjoy the Coziest Spot in the Home** Karen Hansgen

We all yearn for a cozy place in our homes where we can relax and unwind. Whether it's a bright window seat, a snug daybed, or a secluded corner table, we intuitively seek out alcoves because there is something undeniably warm and welcoming about these small spaces. **The Nook Book** extends an enticing invitation for you to find such special spots in your home and provides just the right creative boost to help you make them your own.

From a breakfast nook where you can sip a cup of coffee while reading the morning paper to a sewing niche in the attic, from a seemingly useless space under the staircase transformed into a practical storage facility to a child's room enhanced with bunk beds, lofts, and other space-saving devices, **The Nook Book** offers solutions that are both practical and charming. While many homes have nooks waiting to be discovered—a corner of the kitchen, a bench next to the fireplace, or an oversized window—common devices such as a screen, bookcase, or curtain can also set an area apart, creating the perfect alcove.

The many diverse ways to create, decorate, and enjoy these lovely niches are fully explored with gorgeous full-color photographs in Karen Hansgen's delightful book.

We all desire a space that we can call our own—a place where we can escape to read, rest, pursue a hobby, or simply daydream. **The Nook Book** shows just how easily the nooks, crannies, and corners of our homes can be transformed into cherished retreats.
