A new series from the author of *The Quest for the Diamond Sword*—will Noah and Violet protect an enchantment book to save the Overworld?

Treasure hunters and protectors of the Overworld Noah and Violet stumble upon a chest in a jungle temple. The treasure chest includes a rare enchantment book that can make diamond swords and armor extremely powerful. Daniel, who runs the powerful league of griefers, wants the enchantment book for himself. Noah and Violet have to battle the league of griefers, including the tricky and powerful rainbow griefers.

Can the duo do it alone, or do they need more people to help them protect the Overworld from this powerful league of evil griefers? This is a test of survival, as griefers use several tricky tactics to steal the enchantment book and use it to destroy life in the Overworld. But the battle isn't just one between the good guys and the griefers.

With unpredictable hostile mobs attacking without warning, can Noah and Violet come up with a good plan to hide the book from the griefers and stay alive? Find out in this first installment in a new series for Minecrafters!

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
