**They murdered THE WHORE: ...but I wasn't one.** Angela C Williams

This book is about the attempt of the deranged citizens of this country; rich and poor, powerful or not, trying their best to make Hollywood's movies come true in my real life. They believe the lies and they are trying to punish me for things I did not do an/or things that have nothing to do with the citation I received for allegedly trespassing (pan-handling). They are trying to murder me because they are ungodly and crazy.
