## **Budgeting: How to Set Up and Manage Your Finances, Become Free of Debt and Start Saving Money (Jordan Koma's ebooks) Jordan Koma**

This book contains proven steps and strategies on how to budget your income, no matter how much or how little money you make. Everyone needs to have a budget to be financially successful and remain solvent throughout life.

Have you ever wondered how celebrities and well known business persons' can file for bankruptcy? It all comes down to mishandling the budget. Sometimes it might be a bad business endeavor that has no chance of success due to changes in the economic forecast, but more often than not it is an inappropriate budget.

A lottery winner gains millions, perhaps even closer to a billion and they can lose it all in a year. Money does funny things to us, whether we have enough or not nearly enough to survive.

The 10 proven strategies contained within this book are things you may already know, but how you approach that knowledge is where this book will surpass any other you may have picked up off a shelf, borrowed from the library or downloaded.

You want financial freedom—then you have to figure out what is stopping you from getting it. Don't hesitate any longer. Only through actions can you achieve the results you want to see. Stop procrastinating, getting in your own way, and take control of your finances.
