Where's My Love Story?

It's your third wedding this year. You are livening up the dance floor with a stirring rendition of "YMCA." Suddenly, the moment comes that separates the crowd like black and white socks. *The Slow Dance*. This one's in a pair, this one's not in a pair.

You are not in a pair. You thought you would be married much sooner, but it hasn't worked out that way. "This is not the life I imagined," you whisper as you eat your wedding cake.

This book was written with you in mind. Kate Hurley doesn't offer a magic formula that will bring your spouse to you, nor does she ask you to be content with your "gift" of singleness. She gives you permission to grieve your unmet expectations while opening your heart and life to unforeseen possibilities.

The author is committed to giving twenty percent of her profits from this book to AIDchild (www.aidchild.org), an orphanage in Uganda for children living with AIDS, and iEmpathize (www.iempathize.org), an organization that fights to eradicate child exploitation.
