Excerpt from From the Crusades to the French Revolution: A History of the La Trémoille Family

Without exaggeration it may be said that in the history of France few families, if any, have played a more persistently prominent part than the house of La Tremoille. For five centuries, from the Crusades to the Revolution, the La Tremoille stock has never failed to produce men of mark, and women too. Whether for good or for evil La Tremoilles have stamped their personalities on those great movements which have built up modern France: on the Crusades, on the Hundred Years War, on the Italian campaigns, on the religious strife which followed the Reformation, on the Fronde, and, during the Revolution, on the death struggle of that ancien regime with which they had been so intimately associated.

Outside France, too, in the affairs of England and of Denmark, and in such great European movements as the struggle for independence of the United Provinces and the establishment of the Bourbons on the throne of Spain, we shall find La Trémoilles active. We shall also find them figuring in association with such famous persons as Joan of Arc, Prince Rupert, Oliver Cromwell, Madame de Sévigne, Prince Charles Edward, and Marie Antoinette.
