Fuck Buddy Scott Hildreth

Having the hottest man in southern California as my best friend since childhood was a blessing and a curse. Hiding my true feelings from him was almost impossible, but I did so for years.

After countless failed relationships, I grew tired of being single and made my proposition to Luke. Friends with benefits.

It wasn't easy, but I convinced him to give a 'relationship' a try.

He had two stipulations. One - we had to remain friends no matter what. And, two - sexually speaking, we had to play by his 'rules'...

I knew Luke was unlike any other man, but being with him sexually opened my eyes and made me realize many things about myself. My name is Liv. This is the story of how I fell in love for the first time in my life and the man who caught me when I did.

NOTE: This is a **stand-alone** from **best friends to lovers** full-length 275 page romance novel and a **LOVE STORY**.
