Black Jack When pirate Black Jack captures a ship at sea, he considers the territorial governor's haughty daughter part of the spoils of war. Tying the fiery beauty to his bed, Jack claims Emma as his...over and over again. Jack has a secret. One he's kept hidden from his best friend Emma... When she calls in a favor, asking Jack to perform in a pirate fetish fantasy at the nightclub she manages, Emma inadvertently opens Pandora's box—for both of them. As portraying a dominant pirate forces more of Jack's secret desires to light, Emma finds herself enmeshed in sensual explorations of BDSM, wax play, bondage and sex in public that leave her questioning her vanilla existence. When a second heated interlude on the stage finds her submitting to Jack, Emma suspects she'll never find her way back to her simple missionary lifestyle. But with Jack in control...she's not sure she wants to. White Knight A sequel to Black Jack. Shea Landon knows this is a bad idea. But when you're broke, tired and homeless, you do crazy things. She decides to crash in her new place of employment, a fetish club, borrowing the big, comfy bed that's used as a stage prop. She doesn't realize she's not alone... Travis Knight knows this is a bad idea. As he views his new waitress sneaking around the club after hours, he realizes he should fire her, call the police. Instead, captivated, he watches her on the same security monitors that separate him from the world. Until watching isn't nearly enough... Two people—one desperate, one broken, both hopelessly alone. Two people assuaging their needs through spanking and sex games, bondage and taboo fantasy. It's enough. It has to be—when the biggest secret between them might be a tragedy neither can overcome.
