King and Capo's plan to build an empire that will sustain their families for generations to come is close to fruition. Or will it keep them locked into its insidious clutches until it's too late to change their lives? With unsettled business and violent, old enemies lurking in the shadows, plotting their demise, King and Capo do all that they can to ensure that their plans remain intact. But sometimes a man's best isn't good enough. With the stakes heightened and death just around the corner, will the pair overcome their nemesis and attain the legitimate status they strongly desire. Or will getting out of the drug game prove to be a very empty HUSTLA'Z AMBITION?
