The Chariot Wheel (also known as the Seven Palaces) is an ancient heavenly calculator that knew its heyday during the reign of King Solomon and was extensively employed by biblical authors. Such was its mystical power to ancient Semitic people that its study was restricted during the Greco-Roman period to be almost forgotten thereafter for over 2000 years. It is the origin behind the Kabbalistic Tree of Life; the inspiration behind the Zohar and the beating heart of the Torah...The symbolism of the Tarot's Major Arcana was keyed to the gates of the Chariot Wheel and it was present at the birth of the Alphabet. It was known to Abraham and to Moses, to David and to Solomon, and now it can be known to you.
