Cold Caller: A White Collar Noir (Norton Paperback) Jason Starr

A ravingly readable tale of a downwardly mobile yuppie who'll just kill to get ahead. Think Jim Thompson with an MBA.

Once Bill Moss was a rising VP at a topflight ad agency, but now he works as a "cold caller" at a telemarketing firm in the Times Square area. He's got a bad case of the urban blues. Still, he's good at his work and (he thinks) about to be promoted, when out of the blue he's fired. So Bill snaps . . . and the next thing he knows he has a dead supervisor on his hands and problems no career counselor can help him with.

In *Cold Caller* Jason Starr retools the James M. Cain novel of cynical suspense and murder for the fiber-optic age.
