Legalines gives you authoritative, detailed briefs of every major case in your casebook. You get a clear explanation of facts, the issues, the court's holding and reasoning, and any significant concurrences or dissents. Even more importantly, you get an authoritative explanation of the significance of each case, and how it relates to other cases in your casebook. And with Legalines' detailed table of cases, you can quickly find any case or concept you're looking for.

But your professor expects you to know more than just the cases. That's why Legalines gives you more than just case briefs. You get summaries of the black letter law as well. That's crucial because some of the most important information in your casebooks isn't in the cases at all... it's the black letter principles you're expected to glean from those cases.

Legalines is the only study aid that gives you both case briefs and black letter review. With Legalines, you get everything you need to know – whether it's in a case or not!
