Susanna Moodie

Life in the Backwoods: A sequel to Roughing it in the Bush Susanna Moodie

Written as a continuation of her sensational 1852 text, *Roughing it in the Bush*, Susanna Moodie's *Life in the Backwoods* continues the narrative of her experience as a settler in mid-nineteenth century Upper Canada. By relating her own experiences and those of the community of pioneers also living in the harsh environment of the Canadian backwoods, Moodie creates a faithful portrait of the harsh life faced by settlers to the British Colony.

Written primarily for British readers, *Life in the Backwoods*—together with *Roughing it in the Bush*—acted as a guide for newcomers to Canada on how to live and survive in the uncultivated wilds of Canada.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
