On these pages you will tee off to new possibilities, develop a more positive attitude, chose worthwhile objectives, make lasting commitments, and live with encouragement, determination, gratitude, and endurance?which lead to total victory! On the Back 9 of life, you are making “the turn.” You have lived a little and experienced a “learning curve.” We all gain wisdom and knowledge by doing, by falling, by getting up, and by learning from others. It is what we choose to do with what we have absorbed that is key to finishing strong. Says the author, “If you make every shot count except the last one and you stop before the final stroke, the end result will be the same as if you never took the first swing. Your shots add up to the score of your life?which Scripture says is “like a vapor” that appears and disappears. But the decisions you make determine where you will spend eternity and the rewards you will receive. Remember, after accepting Christ, we are “to do good works, which God prepared in advance for us to do” (Ephesians 2:11).” As you will learn, it’s never too late to make all your shots count and finish strong. No matter what hole you find yourself on, if you are breathing, know that God is not dead and He is not finished with you! Please open your heart and mind as you read this book and allow God to be your “Caddy” and help you make shots that count for eternity, not just for your days here on earth!
