The Girl Who Wouldn't Brush Her Hair (Adventures Series) Charles Thornton

Gabby was what you would call your average 7-year-old girl. Or at least, she was average when you first met her. She had a big brother, she loved her mommy and daddy, she hated going to bed, and she definitely hated brushing her hair.

It was always the same every morning. She would put her clothes on and eat breakfast, but she just refused to brush her hair. No matter how much her mommy told her to do it, she didn't want to. She liked her hair being extra bushy and curly in the mornings. She called herself the little lion queen with her big mane.
