A Complete Story With NO CLIFFHANGER

Grace Davis is an independent woman, who works hard at her job as a corporate lawyer.

But when she wakes up in the hospital dazed and confused, she finds out that the last 6 months of her life were taken from her, that she was in an accident and now she has amnesia.

Elijah is a formidable figure in town who's anger is as legendary as his business acumen, and he uses his power to get his company Magna Corporation to the top.

Justin is a rugged, but easy going cowboy on a ranch. While he was always a nomad, changing jobs often, once his sister's husband was gone he decided to help her with her kids.

While Grace remembers the familiar face of Elijah who claims they are together in a relationship, she can't help but somehow feel uneasy around him but she doesn't know why. Maybe that scar across his face? She soon see's Justin as well, but he quickly makes himself scarce for no apparent reason.

As the truth of what really happened to Grace, and the love triangle between the three of them grows more complicated, Grace uncovers a secret she wishes she could just forget.
