Acknowledgment THE thoroughness with which Mr. E. H. Goss several years ago examined the Revere family papers, and which rendered a duplication of that labor by subsequent historians superfluous, is entitled to frank recognition. Wherever in the preparation of this volume the author has had occasion to quote from these manuscript documents which Mr. Goss first made public he has endeavored to give due credit to the service of that biographer whose two-volume memoir this little book is in no sense intended to supplant, though it is hoped it may fill a demand for a short, concise, and unbiased record of the career of one of the most interesting and picturesque characters of the Revolutionary era. Other authorities consulted have been the Massachusetts records in the original manuscripts preserved in the archives of the commonwealth, the Proceedings of the Massachusetts Historical Society, the publications of the New England Historic-Genealogical Society, the news papers, almanacs, etc., of the period covered by Revere's life, and authentic biographies of Revere's contemporaries.
