Vince Flynn Collectors' Edition #2: Separation of Power, Executive Power, and Memorial Day (A Mitch Rapp Novel) Vince Flynn

In this special collectors' edition, relive the action in Vince Flynn's #1 *New York Times* bestselling political thrillers: *Separation of Power*, *Executive Power*, and *Memorial Day*.

Separation of Power

Newly appointed CIA director Dr. Irene Kennedy is the target of an inside plot to destroy her and prematurely end the American President's term. To make matters worse, Saddam Hussein is close to entering the nuclear arms race -- something Israel has vowed to stop. With the haunting specter of World War III looming, the President calls on his secret weapon: top counterterrorism operative Mitch Rapp. But with only two weeks to take out the nukes, Rapp is up against a ticking clock -- and impossible odds.

Executive Power

After years of working in the shadows, Rapp is caught in the media spotlight -- and marked for death by virtually every terrorist in the world. Now a CIA advisor, Rapp is ready to battle terror far from the front lines. But when a Navy SEAL team in the Philippines is ambushed, all evidence points to a leak within the U.S. State Department. And a greater threat still lurks -- a ruthless assassin working for the most powerful men in the Middle East, who are bent on igniting a world war. With the world watching, Rapp must hold back the flames of Armageddon...

Memorial Day

CIA intelligence has pointed to a major terrorist attack on the United States, just as the nation's capital prepares for a grand Memorial Day tribute to the veterans of World War II. Racing to Afghanistan, Mitch Rapp leads a commando raid on an al Qaeda stronghold in a remote border village -- and defuses plans for a nuclear strike on Washington. The crisis averted, the special ops work is done. But Rapp knows, in the face of a new kind of enemy, nothing is as it seems -- and it's up to him alone to avert a disaster of unimaginable proportions.
