Backlash (Don't) (Volume 4) Jack L. Pyke

In the aftermath of Jack Harrison's release from the psychiatric unit, Gray Raoul's first instinct is to take brutal revenge on the one responsible for financing Jack's and Jan's torturous psychological reconditioning. However, that person plays the game dangerously well, and knows exactly how to manipulate everyone in Gray's life. To help negotiate this delicate situation, Gray contacts ex-Diadem Doms Trace and Gabriel Hunter. But the more Gray seems to regain control, the clearer it becomes that there's something not quite right about Jan Richards. Jan quickly unravels, taking Jack and Gray with him, and bringing out one particularly deadly player. Gray is left with one last defense: break Jack down in order to partner up with his alter ego, Martin. But once freed, Martin has plans of his own, and he wants to make it personal with Gray. Complete trust between Master and sub, between Gray and Jack, will be tested to the absolute limit. (M/M)
