Crochet : The Ultimate Crocheting For Beginners

This book is everything a beginner and an intermediate crocheter needs. Learn all about the basics of crochet and get to learn a few intermediate skills, too.

Crochet is a very old crafting skill. This is among the oldest methods of creating fabrics and turning them into various items of everyday life. Crocheting can create intricate and delicate fabrics and items such as lace. It can be used to create lovely, easy to maintain and comfortable pieces of clothing such as scarves and sweaters. There is a huge world of things that can be done with crochet. And it all starts with a hook and a ball of yarn.

All throughout the history of crochet, several crochet books and crochet magazines are available. There are websites solely dedicated to everything about crocheting. This book makes use of the instructions, skills and techniques mentioned in several other crochet resources and weaves them into an easy-to-read and easy-to-follow crochet ebook.

This book offers you all you need to know about crochet stitches and crochet patterns. You even get to have easy-to-follow instructions on how to crochet afghans- one of the most popular crochet projects.

Not only that, you also get priceless tips on how to choose the best hook and yarn for your project. These are the basic materials in crochet and it is very crucial to understand them in order to take full advantage of the skills for crocheting.

This book will also give you a step-by-step instruction on how to crochet all the basic, as well as the intermediate crochet stitches. Lessons include the following:

- how to hold a hook
- how to choose the right hook size
- how to choose the right yarn
- how to start a yarn
- how to make the foundation chain
- how to make the rest of the stitches
- and so much more

Read this book today and be a crochet expert in no time.
