This is Part 1 of a 3-Part serial novel. All 3 are currently available.

The global infection turned over our world to the undead, slow zee's, or so the survivors thought. As a new strain of zombie takes hold, one that can think, communicate and move with inhuman speed, most lifers just want to get through the winter. An insurgency of the living is desperately needed.

Learning they can no longer count on concealment and evasion, Toey and her friends take the fight to those that would enslave them.
