Let It Breathe Tawna Fenske

Forbidden fruit can be downright intoxicating.

Vineyard manager Reese Clark is determined to bring her family's Oregon winery into the big leagues, and she knows building a new tasting room and event pavilion is her ticket there. Having her ex-husband's best friend—and her secret college crush—turn up to head the construction project, however, doesn't pair well with her plans. Between her nauseating lovebird parents; her motorcycle-riding, pot-growing grandfather; and her pet alpaca, fond of head-butting groins, Reese has more than enough chaotic characters in her life.

Back in college, Clay Henderson was more likely to be sprawled over a bar than building one. But even if the new clean-living Clay has matured as deliciously as an oak-aged chardonnay, he's still off-limits. As Reese's well-laid plans for the winery crumble like bad cork, Clay the newly sober gentleman is sweet enough to rescue Reese from a wardrobe malfunction and still spicy enough to play "I Never" with her. Can he overcome his past rep to offer her a love too heady to ignore?
