My Life According To My Destiny Vanny Vorng

Have you experienced war? Have you experienced true starvation? Join author Vanny Vorng, a survivor of the Killing Fields of Cambodia as he recounts his fight to survive the many brutal events of Khmer Rouge Holocaust. Regime changes, war, famine, disease, genocide, mass executions, he lived through it all. The Khmer Rouge Communist Party of Cambodia purged the cities and countryside of intellectuals, rival politicians, monks and teachers. The extremeness of this group lead to a country that had no religion, no free market, no schools, no families, and a closed border. The new party in charge invented ways of making entire families disappear. Take the ultimate journey through the eyes of one young Cambodian man struggling to survive the Khmer Rouge Holocaust that left millions dead in its wake. They took his home, his loved ones, and his youth, but they could not take away his destiny and his pride. The author describes each event as it unfolds from the riots of the regime changes, to his harrowing escape to the refugee camps of Thailand, to his journey to America to start a new life. You have to read it to believe it.
