Raki Maheson born of a low cast mother and Tamil father in the town of Salli, on the north- easterly tip of Sri Lanka occasionally invaded by the rebel forces of the Tamil Liberation fighters. All his salient traits of his personality are traceable to his strong low cast roots. which despises compromise and forbids diplomacy, contempt for privilege, love of argument, distrust of the religion and faith in humanist logic. These were some of the characteristics of the rugged folks of the Salli district from whom Raki sprang. A number of them, too, are readily prone to mental disorder of one kind or another.

On February 1985 Raki was arrested at his Orrs Hill home, after human remains had been identified as the cause of blocked drains. Within days he had confessed to fifteen gruesome murders over a period of four years. His victims, all young call girls, had never been missed. It is a story of a singular relationship between a mass murderer and society as some of the victims could have been spared, had the police been more efficient
