The Surf Series is coming to Malibu and that means boards, boys... and summer concerts. The major competition hosts some of the hottest international young talent on the waves--including Miley's crush of the moment--Australian-born Talen Wright. So when Hannah Montana is asked by the Surf Series organizers to perform live on the beach, Miley is stoked. It's the perfect way to get close to all the action *and* Talen. But then Miley learns that all her time on the road has caused a few setbacks at school and so she will have to do some make up work--over the summer! Luckily, her father has managed a way to get her some private tutoring and when she arrives on her first day, she learns that for the two weeks the Surf Series is in town, some of the competitors--including Talen--will be joining in on the informal classes.

Soon, Miley and Talen are spending more and more time together, in the classroom and on the waves as Talen teaches Miley to surf. As the days go by, Miley learns that Talen is super chill and not at all into fame. In fact, he is especially wary after his last girlfriend turned out to be a major liar who only dated him for the publicity. Miley is worried that as soon as Talen learns she is Hannah Montana, he'll paddle far far away. Meanwhile, she still needs to get good grades from her tutor, prepare for her first major beach concert, and cheer on Lilly who is competing in the beginner round of competition--against Talen's ex! With all the drama, will Miley have a major wipe-out or manage to score the perfect wave?
