The Maytrees

Annie Dillard

The Maytrees Annie Dillard

Toby Maytree first sees Lou Bigelow on her bicycle in postwar Provincetown, Massachusetts. Her laughter and loveliness catch his breath. Maytree is a Provincetown native, an educated poet of thirty. As he courts Lou, just out of college, her stillness draws him. Hands-off, he hides his serious wooing, and idly shows her his poems.

In spare, elegant prose, Dillard traces the Maytrees' decades of loving and longing. They live cheaply among the nonconformist artists and writers that the bare tip of Cape Cod attracts. When their son Petie appears, their innocent Bohemian friend Deary helps care for him. But years later it is Deary who causes the town to talk.

In this moving novel, Dillard intimately depicts willed bonds of loyalty, friendship, and abiding love. She presents nature's vastness and nearness. Warm and hopeful, *The Maytrees* is the surprising capstone of Dillard's original body of work.

From reader reviews:

William Fugate:

What do you about book? It is not important to you? Or just adding material when you really need something to explain what you problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. They should answer that question because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need that The Maytrees to read.

Joan Myers:

Reading a reserve tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write to the book. One of them is this The Maytrees.

James Marcus:

You may spend your free time to study this book this guide. This The Maytrees is simple to create you can read it in the park, in the beach, train and soon. If you did not have got much space to bring often the printed book, you can buy often the e-book. It is make you much easier to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Raymond Murray:

Guide is one of source of know-how. We can add our know-how from it. Not only for students and also native or citizen need book to know the revise information of year to help year. As we know those books have many advantages. Beside all of us add our knowledge, can also bring us to around the world. With the book The Maytrees we can get more advantage. Don't that you be creative people? For being creative person must like to read a book. Simply choose the best book that suited with your aim.
