When the Bride Is Attacked: Find Peace in the Midst of Spiritual Warfare Kirk Farnsworth

Holiness can be restored to churches by confronting rebellion and satanic influences. Readers will learn how this connection between conflict in the church and spiritual warfare stems from selfish desires and personal baggage individuals bring to the church, often resulting in unhealthy emotions and actions. Dr. Kirk Farnsworth shares his personal experiences as a pastor in dealing with conflict and how the church can fall under Satan's influence. He identifies these satanic influences and how to counteract them by finding Jesus, which is peace, in the midst of the battle. Two appendixes are provided, offering tough questions for readers to look inward and see what transference or self-deception they may be bringing into the church body.
