This book is for the LIS instructor who is looking for something that combines the literature with the practical in teaching courses in materials for children and young adults for an audience of school and public children's librarians. It provides an activity oriented survey of young adult literature for undergraduate and graduate students seeking licensure and degrees leading to careers working with young adults in school and public libraries. Actions that teachers, librarians, young adults, and students of library science may choose for involving themselves in literature are embedded in a genre approach.
